MASK WEARING

Dear Patient,

According to the MA Department of Health, wearing a mask is no longer mandatory in the doctor's office. However, you are welcome to wear a mask if you feel more comfortable, have an underlying medical condition, or want to protect yourself or your family from exposure to Covid.

Patients are required to wear a mask if they:

- Have a fever or have flu-like symptoms.
- Have a known Covid-19 infection and are in the isolation period.
- Have a known exposure to Covid-19 or other respiratory infection within the last 10 days.

Masks are available at the office.

Symptoms Screening:

Please contact us and avoid coming to the office if you develop any of the following symptoms:

- Fever or chills
- Cough, congestions, or runny nose
- Vomiting or diarrhea
- New skin rash with fever

Or

- You are diagnosed or exposed to COVID-19 within 10 days of an appointment.
